Krishi Vigyan Mela in Haryana and Uttar Pradesh

1203. SHRI PRAMOD MAHAJAN : Will the Minister of AGRICULTURE be pleased to state :

(a) whether in January, 1989 a two-day Krishi Vigyan Mela was held at Adampur (Haryana) and later planned for Fatehpur and Gauriganj (Amethi, Uttar Pradesh) and if so, the names of the Public Sector agencies/undertakings and Department of Government which participated in the Mela ;

(b) the estimated expenditure incurred separately by each agency and department at each such mela and also the contribution of State Governments and their institutions;

(c) the items sold to the farmers at different melas at concessional rates ; and

(d) whether Vayudoot aircrafts were also used and if so, when and for what purpose and at what expenditure?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI SHYAM LAL YADAV): (a) ICAR organised Krishi Vigyan Melas at Adampur (Haryana) and Fatehur (Uttar Pradesh) during January and February, 1989 respectively. The Mela at Gauriganj (Amethi) was organised jointly by Central Council of Scientific and Industrial Research, New Delhi & National Institute of Wasteland & Rural Development. The lists of participating agencies at both the Melas are encolsed as Statement (*See* below)

(b) The publication and Information Divison of the Indian Council of Agricultural Research which organised the exhibition at two places spent Rs. 25000 at Adampur and about Rs. 1·25 lakhs at Fatehpur. The participating institutions/agencies arranged their own exhibites demonstarations and shows.

(c) Chemical fertilisers were sold at 20 per cent less than the prevailing market price to motivate farmers to adopt improved agricultural inputs and technology at Adampur (Haryana).

(d) Agricultural Aviation Division of Vayudoot demonstrated the use of aerial spray of insecticides

for plant protection on community scale at Adampur and Fatehpur. This was done at the cost of Agricultural Aviation Division for creating awareness Aviation among the farmers using anaircraft for the spray purposes. The expenditure incurred by the Aviation department is not known.
